Dromantine Retreat and Conference Centre:

Saturday 8th March 2025: Workshop led by Fr Hugh Lagan, SMA - A Radical Welcome: Intercultural living and the future of religious life. Religious life is evolving from safe international encounters to powerful intercultural and counter-cultural witness. Intentional intercultural living is considered the future of religious life worldwide and invites all those living it to embrace an authentic and radical welcome. This workshop will explore the skills of intercultural living and communication as well as how intercultural community living can create a 'home' in which all feel welcomed. Registration 9.00am Cost (incl. lunch) £43.00/€50.00

With encouraging words for those contemplating a vocation to the diocesan priesthood, St Paul says in our second reading this weekend, "... keep on working at the Lord's work always, knowing that, in the Lord, you cannot be labouring in vain." We pray in particular for those attending the Vocations Weekend in Drumalis Retreat Centre, Larne, this coming weekend.
