Examination Time

Prayers for Students This is a stressful time for students doing exams and they would appreciate your prayers. You are invited to put their name(s) into the box on the sanctuary and they will be remembered at all Masses until 28th June. Please feel free to take home a copy of each of the prayers and you will be able to pray for your child / grandchild / friend at the actual time of the examination.

A Reflection on the Holy Trinity: The God we contemplate today is present in, with and for us. The story of God's love, Jesus, the word incarnate draws us into His relationship with God as Father. We come to know and recognise the Holy Spirit in the love that is poured out into the world through the oneness of the Father and Son. The Trinity offers us a precious gift of relationship, a grounded connection with God, self, others and the world. We are invited to be like the Trinity—living in absolute relatedness.

Granaghan and District Women's Group:

Just to say, our fabulous gardening workshops with Jenny from The Conservation Volunteers take place every two weeks during the Summer months. Our next date is WEDNESDAY coming, JUNE 7th, 10.30-12 approx. If you would like to drop in this Wednesday between these times, just to see what goes on and maybe pick up a few tips on growing vegetables, we'd be delighted to welcome you. All sessions are provided completely free to participants and are open to both men **and** women. NO previous experience necessary.

Trees around the Church:

The essential major work to be carried out on the trees has begun. In the interests of health and safety please avoid areas where work is ongoing and places which are cordoned off. There will be some disruption during this time. Hopefully all work will be completed in approximately three weeks.
